

Pharmacy Technician opportunity in South Eastern HSC Trust

Pharmacy Technician (Prison Healthcare): AfC Band 4 Ref No: 51428368

Interested in improving the health of the most vulnerable and enhancing the health status of an under-represented community?

An exciting opportunity has arisen to join the Prison Healthcare Pharmacy team, based in HMP Maghaberry.

We are looking for motivated and enthusiastic candidates to join our multi-disciplinary team, consisting of General Practitioners, Pharmacists, Primary Care nurses, Mental Health nurses, and Allied Health Professionals.

We have an ethos of treating our patients with empathy and respect whilst maintaining and developing outstanding clinical practice.

We are dedicated to providing excellent healthcare to a population that have high levels of mental and physical ill health, vulnerability and lack of engagement with community services.

This is your opportunity to make a difference!
